

FCC, I benefit greatly from listening to XM Satellite Radio and its traffic and weather channels. It provides me with variety and quality that are not available elsewhere, which I pay for these services and it should not be up to the National Association of Broadcasters to dictate what I am permitted to hear. I respectfully urge the FCC to reject the NAB'S Petition 04-160 and to support XM's ability to provide the kind of programming that I demand and deserve.

Concerned,
